Web Site devoted to the study of Psychopathy Wed, 16 Jan 2019 09:58:00 GMT Main Psychopathy Reference List - Hare - Historical perspectives. Prior to the 20th century, it was a commonly held view that men were intellectually superior to women. In 1801, Thomas Gisborne said that women were naturally suited to domestic work and not spheres suited to men such as politics, science, or business. He stated that this was because women did not possess the same level of rational thinking that men did and had ...
